

Every now and then, someone comes along and says something that makes everything clear. **Elizabeth Warren just did that, and the world is taking notice.**

Since we posted her quote on Facebook, it's been **shared over 140,000 times**—because it's hitting folks across America just like it hit us. As Tea Party politicians make disingenuous excuses from the right-wing about why the super-rich can't pay their fair share, Elizabeth Warren sets the record straight.
